

Supplier Agreement (DRAFT — Pending Review)

Contract ID: CTR-2026-0191 Supplier: Castellan Security Integrations Inc. Tax ID: 55-9081247
Contract Owner: D. Whitfield, Procurement Total Contract Value: \$412,000 USD Contract
Validity Period: 2026-10-01 to 2028-09-30 Supplier Relationship: New supplier — first engagement

1. Scope of Work

Castellan Security Integrations Inc. shall design, install, and maintain physical security systems (badge access, CCTV, intrusion detection) across three Company facilities, as detailed in Exhibit A.

2. Payment Terms

An initial payment of \$164,800 (40% of total contract value) is due upon signing to cover equipment procurement. Remaining balance paid in 18 equal monthly installments of \$13,733.33 following installation completion.

3. Deliverables

- Facility security system design documentation
- Installation completion certification per site
- Quarterly system maintenance and testing report

4. Termination

Either party may terminate for convenience with 45 days written notice.

5. Data Privacy and Confidentiality

Castellan shall not use Company facility layout or security system data for any purpose outside this agreement, shall notify the Company of any data breach within 72 hours, and shall comply with applicable data protection regulations. The Company reserves the right to audit data handling practices.

6. Liability and Indemnification

Castellan shall indemnify the Company against claims arising from its negligence, capped at total contract value.

7. Governing Law

This agreement shall be governed by the laws of the state in which the Company's headquarters is located.

Submitted For Approval

Submitted by: D. Whitfield, VP of Procurement Date: 2026-09-18 Status: Pending Review — not yet executed

(Note: no CFO sign-off or Legal Review documentation attached, despite contract value exceeding the \$250,000 mandatory-review threshold. Advance payment of 40% also exceeds the 20% new-supplier cap with no VP written approval on file for the excess.)
