Reviewer note: Two issues present. (1) Invoice date 2026-02-10 falls outside the contract's validity period of 2025-01-01 to 2025-12-31 — the contract expired before this service period began and has no amendment or renewal on file. (2) Billed entity name "Global Compliance Partners LLC" does not exactly match the contracted entity "Global Compliance Partners Inc." per SOP-IV-011 Step 2, item 1. See also ServiceNow INC0046340 for a similar prior supplier-name-mismatch incident pattern.
